 Legacy for Learning

The "Legacy for Learning" series explores the richness of our Jewish heritage through a variety of lectures, panels and discussions.

"CONVERSATIONS"

A JEWISH WOMEN'S LITERARY CIRCLE

In co-operation with the Hadassah Brandeis Institute.

"Conversations" is a book group featuring live interaction with authors.

During the coming year, three books will be discussed in intimate gatherings at local homes, in either afternoon or evening sessions. Each will provide an opportunity for participants to explore, through thought and feeling, who we are as Jewish women.
