The JPL recently acquired a new database subscription:

The Holocaust Archives™

The Holocaust Archives™ from Footnote, in partnership with the National Archives and the United States Holocaust Memorial Museum, presents records pertaining to the seizure of Jews' assets by the Nazis during the Holocaust, and German property subsequently subject to restitution. Revealing the grim details of the Holocaust, the historical documents compiled in the The Holocaust Archives enable users to connect with the people and events of the time. This archival collection contains powerful and personal stories of triumph and tragedy, of both victims and survivors of the Holocaust.
