Book Club Kits

Tired of having to track down multiple copies of a book for your next book group meeting? The library now has convenient kits that you can check out for free!

Each book kit includes between 4 and 9 copies of the book and a useful Book Club Guide. The guides contain such information as book reviews, author biographies, discussion questions and interviews with the author.

How it works:
- The library member who checks out the kit is responsible for returning all the pieces. A sign out sheet is included in the back of the reading guide so the group can keep track of the books. Any lost materials will be charged to the member with a processing fee.
- The Book Club Kit is checked out for 4 weeks. Overdue fines are 2$/day.

Please check contents of Book Kits against the label tag provided before you return the Kit to the library.

Where do I return a kit?
- Book Kits must be returned to the circulation desk inside the library and may not be left in the book drop. The kit must be intact with all copies included. Incomplete kits will be subject to replacement costs.

How do I get a kit?
- You can search the catalogue using the term “book club kit” for a list of kits and to check availability. A list of these are also available.
- Please ask for the kit at the reference desk of the library, or call in advance to have one put aside for you at the circulation desk. You cannot put a hold on the book club kits.

What if I need more copies for my club?
- Your book club members may find additional copies of titles through our catalogue. These additional copies are subject to the normal library lending periods - typically three weeks.

I have extra copies or sets to donate to the library.
- The library would be happy to receive gently-used copies of titles currently available in book club sets. We are also interested in receiving multiple copies of the same title to create new book club kits.
